### TO BE COMPLETED BY THE FEBRUARY PROCESSING SESSION

1. Decide on your individual service project. It may be completed on your own or as a group with others. Find out the details for what you want to accomplish and fill out the form on the reverse of this sheet. We ask that you find a project that aligns with your personal leadership passion.
2. You will need to make **three service visits** to your organization. If the first visit is an orientation, that DOES count as one visit. You are not limited to only three visits – if you want to continue serving that organization, PLEASE DO!
3. Complete your project and have the person who is supervising you sign indicate the dates when you were on site. Please make sure their phone number is also recorded on the form.
4. Turn in your form to Tim before or on the evening of the February Processing Session. Please do not give it to the other leaders. Tim will mark your name off the master list.  
Thank you!
